Match the African American units (in the left column) with their contributions to the American war effort (in the right column).

Drag statements on the right to match the left.

The 99th Pursuit Squadron	→ Flew 200 missions to protect American bombers as they flew to their targets
The 332nd Fighter Group	→ Helped win the Battle of Ardo in Italy
The 761st Tank Battalion	→ Served during the Battle of the Bulge

Do you know the answer?

I know it    Think so    Unsure    No idea

LearnSmart® Adaptive Learning Program

Write-In Student Worktexts for Assessment Success

# EXPLORE MORE

ENGAGE EVERY STUDENT.

Both the engaging, student-friendly text and the Student Learning Center draw your students into rigorous learning experiences.

- » Well-written narrative brings the story to life and fully meets the NGSSS
- » Relevant videos and dynamic visuals capture students' attention
- » Rich, interactive maps, infographics, and games for digging deeper into concepts
- » Audio helps those learners who prefer to listen to text
- » Foldables® as well as reading and vocabulary support increase reading comprehension
- » Projects and activities provide context for hands-on learning

# EMPOWER LEARNING

UNDERSTANDING IS THE FOUNDATION OF ACHIEVEMENT.

## BUILD Understanding

- » Analyzing primary sources as well as document-based questions
- » Essential and Guiding Questions for understanding
- » Reading strategies and vocabulary support to increase comprehension
- » “It Matters Because” to explain why the story is important

## DEVELOP Effective writing

- » My Notes note-taking tool for students to jot down thoughts or complete writing assignments
- » Writing designed around critical concepts using evidence-based approaches.
- » Writing activities for multiple genres as well as for assessment and evidence-based writing

## CULTIVATE Critical thinking

- » Engage in historical analysis and critical thinking skill activities
- » Analyze maps, charts, graphs, artifacts, and political cartoons
- » Extend the content through special features in each program

# ACHIEVE SUCCESS

FOCUS INSTRUCTION AND ASSESSMENT ON KEY DESIRED OUTCOMES.

Whether you are looking ahead to an EOY or EOC assessment, quarterly benchmark assessments, or need ongoing formative assessment ideas, McGraw-Hill Networks has what you need.

## STUDYSMART

Print Write-in Student Worktext

- » Target reading in the subject area with assessment practice on key item specifications or benchmarks
- » Build critical thinking skills with activities designed around primary sources, political cartoons, maps, charts, and graphs
- » Administer assessments written to appropriate text complexity levels and reflecting DOKs

## LEARNSMART® with SmartBook™ Adaptive Learning Program

- » Pinpoint where students are excelling or where more support is needed
- » Differentiate instruction for students and report on year-long progression
- » Compare student-to-student, class-to-class, and teacher-to-teacher results
- » Provide detailed reports on essential data at the class, school, or district level

## ONLINE ASSESSMENT

- » Meet the NGSSS and support success on end-of-course tests
- » Check student progress on mastery against benchmarks
- » Customize assessments by selecting questions based on subject, NGSSS, lesson, or keyword
- » Includes tech-enhanced multiple-choice and essay questions as well as document-based questions
- » Question sets and online environment prepare students for end-of-course and end-of-year online test-taking

# MAKE IT YOUR OWN

SPEND YOUR TIME TEACHING YOUR WAY.

McGraw-Hill Networks gathers everything you need in one easy-to-use Teacher Lesson Center.

- » Explore the wraparound print Teacher's Edition and the online Teacher Lesson Center to find everything you need to streamline planning, build background knowledge, and differentiate for every student
- » Lesson plans are correlated to the NGSSS and can be used as-is or easily customized
- » Differentiated instruction and assignments can be tailored to meet the needs of all students, and can be printed or sent to students online
- » Teach with traditional lecture and presentation or discussion groups, flip your class, or integrate project-based learning where appropriate
- » Favorite resources and content can be uploaded to your Teacher Lesson Center
